Term 3 Week 1

NOTICES THAT HAVE GONE OR GOING HOME WITH STUDENTS THIS WEEK

Kahikatea - Syndicate newsletter, Junior Winter Tournament – request for parent helpers notice

Koromiko – Syndicate newsletter **Kowhai** – Syndicate newsletter

Dear Parents and Caregivers,

He mihi tenei kia koutou nga matua, me nga kaitiaki o a tatou tamariki. Tena koutou katoa

Welcome to Term 3 at Kenakena School. I hope you were able to enjoy some extra time with your children during their holiday break.

I extend a warm welcome to families new to Kenakena School this term. If I haven't met you yet, please call in to see me.

KENAKENA WELCOMES INTERNATIONAL STUDENTS

Kenakena welcomed seven new international students to our school on Monday. The students from China and South Korea are staying with host families, who will be looking after them while they are at Kenakena over the next four-five weeks. The students will learn in our classrooms and have a range of exciting activities to enjoy during their time here. Being in New Zealand and at Kenakena gives them the opportunity to practice their English and to experience a different culture and education system. For some of our international students it is their second year attending Kenakena for a short-term experience.

We will be welcoming a group of students from Beijing, China next Monday.

The Kenakena Kapahaka Group performs for our newly arrived international students and their Kenakena buddies on Monday.

THE ART AND SCIENCE OF TEACHING (PEDAGOGY)

Kenakena teaching teams are very motivated about building on our modern research-based approach to learning and teaching. In our Junior School (Years 1&2), where *Action Stations* is personalizing learning, research about children's learning stages and brain development is driving an emerging approach to play-based learning. Recently, we had a group of principals from Bay of Plenty and Waikato visit to view and discuss what we are getting under way with.

The following interviews with the New Zealand Brainwave Trust's Nathan Mikaere-Wallis provide an insight into the research around early learning:

<http://www.radionz.co.nz/national/programmes/ninetonoon/audio/201844291/does-nz-education-policy-align-with-recognised-research>

<http://www.radionz.co.nz/national/programmes/ninetonoon/audio/2595176/what-3-to-7-year-olds-need-to-learn-nathan-mikaere-wallis>

Parents of young children in particular may find this interesting. If you have the opportunity to listen to the interviews, I'd be interested in your response through either a conversation, phone call or message to principalspa@kenakena.school.nz.

WINTER SPORTS

The winter sports season continues. If you're a spectator parent, please set a good example. Fun is by far the most prevalent reason given for children's participation in sport.

"Be a Sport. Show your Support"

- Encourage your child, and other people's children, in their efforts in sport
- Insist that your child plays within the rules and plays fairly
- Respect your child's efforts the same regardless of whether s/he has won or lost
- Display self-control on the sideline. Always be positive. Do not ridicule players or shout at them in a negative fashion.
- Watch your child play and let him/her enjoy the game

HOME SAMPLE FOLDERS

Your children's Home Sample Folders need to be returned to school this week. Please ensure you have written an encouraging comment in the space provided.

We look forward to an exciting, motivating and positive term at Kenakena School!

Bruce McDonald

PRINCIPAL

TERM THREE KAURI CAREERS TOPIC 2017

For our current topic we want our students to find out as much information as possible about a variety of careers, so we are planning a Career's afternoon and we need your help! See attachment.

SPORTS UNIFORMS

Please make sure you have returned your cross-country uniform and any other sports uniforms no longer required.

CREATIVE WRITING

Room 18 have been looking at 'personification' and this is a wonderful example by Mia Speight...

The Day I Met Winter

The day I met Winter I was visiting Wellington.

Winter touched my forehead.

She threw me into the air and

my jacket blew up like a
parachute.

Winter kicked sand into my eyes and swept waves
me.

She crept over the
roof of my house.

Winter cried and made me sopping wet.

I felt like Winter had taken all of my
body.

over

By Mia.

2018 TERM 1 YEAR 7/8 MAKAHIKA CAMP

If your child will be in Year 7 or 8 in 2018 they will be attending a **four day** camp at Makahika, which is inland from Levin.

Information that you need to know now is:

- **Dates:** These are being finalised at the moment but Tuesday March 20 -Friday March 23 is pencilled in.
- **Cost:** We are anticipating that the camp will cost \$275 per student. This includes accommodation, catering and all activities which are run by professional instructors.

- **Please consider starting up an AP now. If you start making payments of \$10 per week now, you will have the camp cost easily covered by March.** We have invoiced all current Yr 6 and 7 students with the estimated \$275 so that you can begin making payments into the school bank account **030732 0286788 00** or through the KINDO payment system under “Fees and Donations” <https://shop.tgcl.co.nz/>
 - **Parent helpers** will be required. If you are not able to help for the four days you may consider coming up for one and two days.
 - **Transport:** Parents will be asked to transport us to and from the venue.
- More Information:** Check out the camp on their website- www.makahika.co.nz

Why being liberal with your praise is one of the best parenting ideas

Praise is a great tool, perhaps the most useful tool that a motivator can use – and all parents should be good motivators. You motivate, not to push but to lift them. Your praise indicates that you have noticed something and that you care about it and the person doing it. It generates far more than the temporary sugar-buzz a chocolate bar reward might give them.

Praise alters your children’s attitudes and feelings about themselves. The words people hear about themselves echo for a long time. (Sadly, criticism seems to echo even longer. Many of us still cringe from harsh words spoken to us decades ago). Because of this echo effect, praise tends to build internal reinforcement. When a child repeats behaviour he has been praised for in the past, he hears again the echo of praise he got before, and experiences the good feelings. The reward becomes internal.

Another great spin-off from praise is that it also strengthens the relationship between the one praising and the one being praised. You have to be remarkably inept in your praising to make someone dislike you by praising them! And by constantly looking for things to praise in your children, you will find more and more that you like and enjoy about them.

Let your children see your excitement about their successes. Be liberal and consistent with your praise, and remember to be loving and encouraging in their failures. Never let your encouragement give the impression that your love is conditional on their success. Can you over-praise? Yes, but most kids today would benefit from more praise, so if you are going to make a mistake, err on the side of being too generous!

[DENTAL VAN](#)

The Dental Service Van will be back at school in Term 4 this year. If you need your child seen before then you can call the Dental Hub 0800 825583

DATES TO REMEMBER

(Please check dates regularly as they may change)

SPORT

Primary School Age Basketball Winter Slam

Begins Saturday 2nd September, Paraparamu College Gym

Years 4, 5 & 6 Boys and Girls Development League

Years 7 & 8 Boys & Girls Pro League

\$55 Early Bird Registration before 26/8/17 for 10 x games over 5 weeks, 10 hours training, Coaching, Referee and Table Official Development

Limited space register at [Winter Slam Registration](#)

Email: primary.kba@gmail.com or call 022 473 2104 to register

After a highly successful Term 2 competition KBA are delighted to offer a Primary Schools Winter Slam Competition for Term 3.

We provided professional training for years 4, 5, 6, 7 and 8 with dramatic improvement in skill levels and knowledge of 'how to play' clearly evident in a very short period of time. KBA is determined to create leagues in our region so that athletes from this age group can compete and Term 2 was a very successful start.

The proven model of Long Term Athletic Development (LTAD) is used which is based on science and best practice from top coaches in youth development from all over the world. Coach Matt, a Level 2 FIBA qualified coach, will be delivering the program. He has extensive experience domestically and internationally in delivering successful LTAD programs.

The emphasis is not on winning but more on how to play in a safe, fun environment learning the fundamentals, building confidence, providing opportunities to compete but most importantly the successful behaviours and habits of what it is to be a good team mate.

Training Times all take place at Paraparamu College Gym

Wednesday (all years) 7 – 8 am Mixed (begins 30th August)

Thursday (all years) 7 – 8 am Girls only (begins 31st August)

Saturdays 12 – 5 pm Competition (Pro League is 2 x games each Saturday 2/9/17)

Note, Trainings on the 30, 31st will be used to make up teams. We welcome groups of friends/schools wishing to enter a team. Efforts will be made on player requests for teams but the right is reserved to move players to ensure even competition. More detail is available on the registration form click here [Winter Slam Registration](#)
Any queries please do not hesitate to call 022 473 2104 or Email: primary.kba@gmail.com

This competition is being run as a partnership between Kapiti Basketball Association, Capital Zone Basketball Trust, Paraparamu College and Matt's Basketball Academy (MBA)

Paraparaumu Junior Badminton starts for term 3 on Monday 24th July at Kapiti College old gymnasium.

School years 4-7 run from 5-6pm, year 8 and older run from 6-7pm.

\$3 per night or \$25 for the term.

TUITION

Annette's Place

Annette's Place offers one-on-one weekly teaching in a quiet place with the parent present. Just right for those children who require special care in order to learn or just need a bit of extra teaching time. This service is available for children aged 4 to 8 years. They may have a diagnosis, such as dyspraxia or autism, or may be prematurely born, or may just be having some difficulties with learning or fine motor skills.

Annette has had many years' experience and is well qualified. She offers a free initial consultation. Contact her by phoning 021 2997 456 or emailing annette@theinnerpath.co.nz

www.annettesplacenz.com

MATHS AND ENGLISH TUITION - Boost your child's confidence and education with NumberWorks'nWords specialist after school tuition. We provide individualised instruction in maths and English for students who are struggling to keep up and those bursting to race ahead. Phone now for an assessment and introductory lesson.

Phone Lizette at 9026655 or visit www.numberworksnnwords.co.nz for more information.

EVENTS

Samuel Marsden Collegiate School Whitby - Open Day

Year 8 parents are invited to come to the Marsden Whitby Open Day on Friday 18 August, between 10am and 12pm. This is a good opportunity to see the school in action and learn about the programmes and opportunities for your child. Marsden Whitby (2 Starboard Lane, Whitby) is for boys and girls Years 7-13. Enrolments for 2018 are now open.

marsden.school.nz

Parent Evening

Thursday 3 August 6.30pm - 7.30pm

We invite you for a relaxed evening to see our new, beautiful learning environment at Montessori Kapiti.

- ✓ Learn more about the way this environment gives your child the opportunity for independent learning and social graces.
- ✓ Learn more about our specialist materials that allow children to explore, discover and learn through inquiry.

Nibbles and Beverages will be available
